Subject: NEW NO PARKING AREA ON 20TH STREET

Dear Colleague,

The City of Philadelphia has taken steps to improve safety for our campus community. To date, new traffic control signals have been installed at the intersection of 20th & Olney Avenue, speed limit signage has been posted along Olney Avenue and on 20th Street, and a new pedestrian crosswalk has been installed across 20th Street near the upper driveway to Main Campus.

If you normally park on 20th Street, please be aware that "No Parking Anytime" signage has been posted near the new pedestrian crosswalk on both sides of the street. Both the Philadelphia Parking Authority and Philadelphia Police are strictly enforcing this no parking area. For the safety of everyone, it is necessary that automobiles not park near the crosswalk.

The city has posted "Pedestrian Crossing" signage to alert motorists of this crosswalk; however, individuals crossing the street at this location are reminded to exercise caution and common sense when doing so.

Campus News is distributed weekly to foster communication and encourage information sharing among University departments. Articles submitted are the responsibility of their authors alone and do not imply an opinion on the part of La Salle University or the Department of Mail and Duplicating Services.

THE FACULTY SENATE
Minutes of the November 9, 2000 meeting

Present: M. Bednar, D. Cichowicz, E. Cogan, S. DeTurk, E. Giardino, P. Heinzer, L. Miller, S. Smith, S. Stickel, T. Straub, J. Volpe, J. Welsh, S. Wiley

Excused: G. Ballough, S. Borkowski, J. Brogan, M. Moreau, J. Pastis, A. Walsh, D. Robison, J. Seydow

Guests: J. Baky, D. Falcone, Bro. Tri Nguyen

The meeting was called to order at 12:35 PM. The minutes of the Senate meeting of October 10, 2000 were unanimously approved as corrected.

The Senate voted unanimously to rescind the October 10, 2000 vote that would have allowed the Senate Vice-President to complete the remaining year of an appointment on the Academic Affairs Committee in the case of a resignation from that committee during this academic year.

The Committee on Committees presented a recommendation for one vacancy on a University standing committee. The nomination was presented to the full Senate for discussion, and the Senate voted unanimously to accept the appointment.

The Chair of FAP updated the Senate on FAP meetings with the administration to date. There are additional meetings with the administration scheduled in November.

There was discussion of the current structure of the University standing committees. The Executive Committee of the Senate will meet to set up a Task Force to review the structure and function of the standing committees. The Senate President requested that the Committee on Committees compile a report on current activities of the standing committees. That report will be part of the Senate review of committee structure.

The Academic and Faculty Affairs Committee reported on their review of promotion and tenure guidelines. The Senate President suggested that the committee address standardization of voting across schools and the role of the committee of three as critical issues.

The request presented to the Senate for a policy regarding a formative review process for specific administrative positions, including Deans and Provost, has been presented to the Provost by the Executive Committee. The Senate will review materials that the SBA uses for periodic review of the SBA Dean and Associate Dean and then determine how to proceed on this issue.

A senator reported on the recent Chairs' meeting with the Provost on administration of adjunct faculty. The discussion of the role of the Chair in the Department was deferred until the next meeting.

Stephen Smith volunteered to chair the Senate Student Affairs Committee. The committee was charged with the task of reviewing material on the Judiciary Board that had been presented to the Senate President.

There was discussion of the change made to the Senate by-laws (regarding voting procedures) approved at the October 10, 2000 meeting of the Senate. When the changes were to be added to the by-laws, it was discovered that some earlier changes (from 1996-97) had never been inserted into the document. Those earlier changes might have bearing on the issue at hand from the 10/10 meeting. It was agreed that both the 1996-97 changes and those from 10/10 will be put into the by-laws and the updated section of the document will be submitted to the Senate for review.

The Senate President announced that the Mediation Committee's Faculty Forum will be held on November 29, 2000 from 1-2:30 in the Board Room. She further announced that work continues on the Middle States Periodic Review Report, that the academic calendar for 2002-03 is on the agenda for the next Academic Affairs Committee meeting, and that the Provost will sponsor a faculty social between Thanksgiving and exam week.

The Senate President also reported that Jackie Pastis has volunteered to work on the issue of revising the current teaching evaluation form. She relayed a request from Ray Ricci for individuals to serve on a minority retention task force. Nominations may be sent to Ray. The President further reported that members of the Executive Committee attended a reception with the Board of Trustees in October and that the Provost will be holding an open faculty meeting regarding the Master Plan for the campus.

Maryanne Bednar reported that she and Gerry Ballough have prepared a draft of a satisfaction survey for adjunct faculty and will distribute the document to the Senate.

The meeting was adjourned at 2:04PM.

Dear Faculty & Staff:

As the Programming Coordinator in the Division of Student Affairs, I am the chairperson for the *Who's Who In American Universities and Colleges* Committee for LaSalle University.

Last year several deserving students received recognition from *Who's Who In American Colleges and Universities*. La Salle University has had a proud tradition of nominating students who embody the spirit of our community. These people are outstanding students, leaders, and/or paraprofessionals.

I am asking you to nominate students for this prestigious award. Eligible students must have junior or senior year status. Graduate students are also eligible to be nominated. Each student who is nominated should be academically sound and have histories of serving his or her community, or working to improve the world in which they live. This may seem like a daunting task but I am sure there are students who come to mind as you read this letter.

The nominated students will be selected through a committee comprised of students, faculty and staff from LaSalle University. Letters will be sent to all the students who participated regarding their status in terms of selection for the *Who's Who In American Universities and Colleges* program. The results of the committee's findings will be forwarded to the representatives from the *Who's Who* Program. The students who are selected for recognition will be honored at an awards ceremony in the Spring Semester.

All nominations should be received through campus mail (University Life Box 835) by Friday, February 9, 2001. Please include the full name of the student(s) you are nominating on the nomination sheet on the next page. Please join us in continuing this tradition at LaSalle University by nominating the students you feel deserve this recognition. Thank you for your support in this endeavor.

Sincerely,

Christopher Kazmierczak

From: Anna Melnyk Allen, Assistant Dean of Students
Subject: Student Awards Nominations
Date: January 16, 2001

Nominations for the awards described in detail below are hereby solicited and will be accepted from members of the faculty and administration through **Friday, February 9, 2001**. A copy of the standard nomination form follows this memorandum. Please feel free to make or request additional copies. If the space provided on the form is insufficient, please feel free to attach additional sheets as needed. Students nominated will also be asked to have written recommendations submitted on their behalf.

Methods of Designating Recipients

1. Any administrator or faculty member may nominate a senior for the awards.
2. To compete for an award, a senior must be nominated by an administrator or faculty member. (Nominations for Flubacher Awards will be accepted from student organizations.)
3. Any senior who deems himself/herself qualified may request a nomination for one or more awards from an administrator or faculty member.
4. The appropriate awards committees will have the authority to adjudicate recipients from those nominated.

The Joseph F. Flubacher Student Leadership Award is offered to a graduating student who has made a contribution to the quality of student life by demonstrating significant leadership in student organizations, university governance, and/or intercollegiate athletics.

Qualifications

1. The recipient shall be a graduating senior from the Day Division of the University.
2. The student shall have demonstrated exceptional leadership skills throughout his/her university career. The student shall have significantly enhanced the membership, programs, and/or goals of a particular organization(s); made a contribution to the work of a university committee; and have had a positive impact on the general program of student life.
3. The student's record should be free from major disciplinary sanctions, i.e. probation.
4. Academic standing will be a major consideration but will be given less weight than evidence of leadership skills and accomplishments.

The Brother Emery C. Mollenhauer Award is presented to that graduating senior who best exemplifies those Lasallian values to which Brother Emery was committed during his tenure as Provost, in particular the values of charity and justice which are hallmarks of St. John Baptist de La Salle's pedagogy.

Qualifications

1. The recipient shall be a senior, graduating student of the University.
2. The recipient shall have demonstrated, over a period of time, a commitment to community service activities on or off campus.

3. The student should exemplify through his/her involvement in such activities a dedicated concern for the principles of peace and justice.
4. The student shall have at least a 2.5 cumulative Grade Point Average at the time of application.

The James A. Finnegan Memorial Award is offered to the member of the graduating class who by virtue of accomplishment and service is judged by the faculty to show promise of applying Judeo-Christian ideals of social justice in a political or governmental career.

Qualifications

1. The senior to be considered for the award should offer some *prima facie* evidence of participation in political affairs on and/or off campus. Leadership and participation in other extra-curricular activities are also to be considered, though given somewhat lesser weight. There should also be some indication on the part of the senior of intent to pursue a career in politics and/or government.
2. In exemplifying ideals of Judeo-Christian social justice, the recipient should exhibit integrity and courtesy in all of his/her endeavors.
3. Ordinarily, the recipient will be in the upper half of his/her graduating class.

The John McShain Award is offered to the member of the senior class who maintained an excellent scholastic record and is considered by faculty to have done the most for the public welfare of La Salle University.

Qualifications

1. The recipient shall be a senior, graduating student of the University.
2. High scholastic achievement normally shall be interpreted to mean Dean's List standing.
3. In recognition of the monetary value of the award, the recipient should show evidence of his/her intent to attend graduate or professional school.
4. Primary consideration shall be given to leadership and participation in those activities which advance the good name of the University beyond the immediate campus and which enhance the role of La Salle University in the life of the region.

The Student Activities Achievement Awards are presented to those graduating seniors who have made significant contributions to La Salle's program of extra-curricular activities. Traditionally, these awards have been intended to recognize those students who do not qualify for other award programs due to academic or other criteria that limit the number of award recipients. Faculty members and administrators, particularly those who work closely with student organizations, are invited to nominate as many students as they feel are deserving of these awards.

Roles for which a student is compensated by the University, i.e. office workers, Resident Assistants, scholarship athletes, and Union, Food Service, and Athletic Department Student Managers, are not by themselves given consideration. When nominating a student who falls into one of these categories, please also include all other known areas of participation.

When nominating students, please keep in mind that our intent is to recognize *significant* contributions. As the number of recipients has increased dramatically in recent years, concern has been expressed (often by students themselves) that nominators and selectors should discriminate carefully in order to assure that students recognized are truly distinguished.

Thanks very much for your attention and response to this request. Please do not hesitate to contact me or my assistant, Ms. Maureen Doyle, at x1374, if you have additional questions.

Re: ***Unsolicited Phone calls, Emails, Fax Ads***

From: NancyLee Moore

Recently, several University Departments have received unsolicited advertisements selling copier toner, printer toner and office supplies via email, phone and fax.

- If by phone, expect the caller to identify him/herself as your '*copier company*' or 'your '*office supplies center*'. La Salle University contractors do not make sales calls to your department. *The best response to these sales calls is to state that you are not interested.*

For your reference, our Contractors are:

Copier Toner – Copy Products (610)446-3550

Under the contract, your department can call Copy Products to order toner when needed. The cost for toner is included in your maintenance contract.
